**Subject:** Dust Compliant

My records show that the only dust complaints we had between 1/1/13 and 1/1/15 were on 2/7/14 and 12/9/14. In both cases it was due to dust on cars at Lincoln High School. In both of these cases it appeared the source of the dust was from the Red Arrow charcoal (biomass). In both cases car wash tokens were given to those affected.

2/7/2014 6 tokens  
12/9/2014 11 tokens
